Yearbook editing: working, photographing, scheduling, waiting, typing, selling, wishing, pasting, cutting, wanting, hoping, dreaming, planning, composing, cussing, thinking, talking. . . . . .

All of these things and more go into yearbook editing. . .it's hard, it's fun, but it's over. . .

We, as editors, have learned what yearbook editing is. . . and we offer this small specimen as our directed effort.

But, we could not have done it alone. A dedicated staff of hard-working individuals have contributed to the success of this, the 1966 Reveille. And Mr. Manuel and Mr. Carpenter added their advice to help us over the rough spots.

Many hours were spent, but spent well.

Class History

Four years ago, a very frightened bunch of freshmen entered MTHS. These were trying moments at first, finding our classrooms, remembering our locker combinations, plus being excited about our new experiences. We started the year by electing our class officers. They were as follows: Bill Decker, President; Milton Pierce, Vice President; Jane Smith, Secretary; Joe Long, Treasurer; Sharie Bury, Reporter; and, Larry Menschel, Student Council representative. We elected Sharie Bury and Letha Wagner as our queen attendants for the 1962 Homecoming. We didn't contribute much to sports that year, but we did have two boys, Joe Long and Bill Decker, who played some varsity basketball. After we became used to our daily routine, the year flew by, and soon our freshmen year came to a screeching halt.

After a summer to revitalize ourselves we came back to the ivy halls of MTHS with great hopes and expectations. To start the year, we elected our new officers for the sophomore year. They were: Joe Long, President; Sharie Bury, Vice President; Steve Torbet, Secretary; Richard Crawford, Treasurer; Peggy Ferdinand, Reporter; and, Susie Brasel, Student Council representative. Our queen attendants for that year were Sharie Bury and Carol Pfingsten. We ordered our class rings near the end of the year to bring our sophomore year to an elated climax. This was a very memorable and wonderful year, but we didn't know the best was yet to come.

The third year came around quickly. We started the year by electing our class officers. They were: Steve Torbet, President; Richard Crawford, Vice President; Susie Brasel, Secretary; Les Duis, Treasurer; and Joe Long, Student Council representative. We began to plan and organize the Homecoming Dance around the theme, "Stars of Tomorrow." Our queen attendants were Susie Brasel and Sharie Bury. During the middle of our junior year, we held the annual Junior Variety Show, inviting several groups to participate. It was a great success, and the audience thoroughly enjoyed the program. The last thing that year was our annual Junior-Senior Prom. The theme of the prom was "Blue Hawaii." The gym was gaily decorated with flowers, and we had a huge waterfall at one end of the gym. Everyone who attended thought it was indeed beautiful. We left our third year and began to think just how our last year would go for us.

Having now completed our junior year, we prepared to go through our last year in high school. We elected our class officers. They were: Larry Menschel, President; Richard Crawford, Vice President; Jane Smith, Secretary; Steve Torbet, Treasurer; Susie Brasel, Reporter; and, Harold Reetz, Student Council representative. Homecoming queen candidates for the year were Gloria Allen, Susie Brasel, and Letha Wagner. Letha Wagner was elected by the student body to reign as 1965 Homecoming Queen. Planning for the future, we decided to go to New York and Washington, D. C., for our senior trip. We had an active year, and a very educational year. Scholastically, we ranked high. After the ACT tests we had several people who were qualified to try for the Illinois State Scholarship Award. They were: Harold Reetz, Roy Luecke, Susie Brasel, Sharie Bury, and Martha Callahan. We maintained a high percentage on the honor roll every six weeks.

We had several class members participate in the Speech Contest held at Kankakee. Many of them rated high. Two went on to the sectional speech contest in Bloomington: Roy Luecke, original monologue, and Larry Menschel, after-dinner speech.

Athletically, we had a very good year. We had star senior players in both football and basketball. They helped to make the season's records outstanding. Richard Crawford was elected on the all-county basketball team.

We did something a little different for our Senior Play. We had a series of four one-act plays. "Sparkin'," "The Trysting Place," "Sorry, Wrong Number," and "The Monkey's Paw" filled the evenings of April 29 and 30 with much entertainment.

On June 3, 1966, we seniors had completed four years at Milford Township High School. We came out better informed about the world around us, and we had a better outlook on life. We owe a great deal to those four years.
